Desert Animal Instructions:

1. Create your own desert animal using wikki stix.
2. Draw a face and ears onto one of the shapes below. If these shapes don't work well for your animal, create a shape of your own.
3. Cut out the face and press it onto the head of your wikki stix animal.

Desert Cactus Instructions:

1. Color the cactus.
2. Cut out the cactus.
3. Fold on the dotted line.
4. Tape or glue the bottom flap to the inside of the box.
