Instructions:

1. Use the stop watch to time your Speed Skater.
2. Write down your time below.
3. Complete the race four times.
4. Add the times together.
5. Divide the total time by 4 to find your average time.

Time 1	Time 2	Time 3	Time 4	Added and Divided by 4	Average Time
				_____ / 4	=
				_____ / 4	=

(Cut on the line.)
